

ElectroLink

Cover Packages

There are three cover or title page packages available with ElectroLink. These are the main cover of ElectroLink, the cover of Lighting New Zealand and the cover of ElectroLink's Industrial Automation section. Each makes a strong visual statement with its presentation, directing the reader to the accompanying cover story. The cover story provides a leadership position for a company to present its offer in a credible news format.

	COVER SIZE	COVER + 2 PAGES	
ElectroLink Front Cover	210 x 275	\$7430	(Includes cover image and headline on cover and a two page spread cover story)*
